

Getting to Rincón & The Lazy Parrot Inn is Easy!

The most commonly used airport in Puerto Rico is in San Juan's International Airport (airport code SJU) which is an easy 2 hour drive from The Lazy Parrot Inn.

However, there is a major airport just twenty minutes from The Lazy Parrot at Raphael Hernandez Airport in Aguadilla (airport code BQN). If you are traveling via any of the following cities/airports, you can fly directly to our corner of Puerto Rico and spend more time having fun in Rincon!

No matter how you drive to The Lazy Parrot - you won't go wrong if you find Route #413 - 'The Road To Happiness'.... If you do get lost, just ask anyone for directions to Rincon or Rt. 413 and you'll be pointed in the right direction.
